Subject: PRESS RELEASE 07/21/15 - McGee Drive Sidewalk Project

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: July 21, 2015

Contact: Michael Rayburn, 217-7713, mike.rayburn@normanok.gov or Tim Adams, 410-3109, tim.adams@normanok.gov

McGee Drive sidewalk project

On Wednesday, July 22, 2015, sidewalk construction will begin on the west side of McGee Drive from SH-9 to Lindsey Street. The project will provide/improve sidewalks up to American Disabilities Act (A.D.A.) standards on the west side of the corridor. Work will commence near Monroe Elementary School. McGee Drive will remain open during construction, although driving lanes may be closed temporarily as needed to do the work. Construction signage and/or flaggers will direct traffic through the work zones, and local access will be maintained at all times by the contractor.

Rudy Construction Company of Oklahoma City will be performing the construction work which should be completed by September 22, 2015. The project is being funded with 80% federal and 20% City funds. The Oklahoma Department of Transportation will inspect the work.

For further information, contact Mr. Michael Rayburn at 217-7713 or mike.rayburn@normanok.gov or Mr. Tim Adams at 410-3109 or tim.adams@normanok.gov at the City of Norman Public Works/Engineering Division.
